

# Operation Eyesight & Rotary

60+ Years of Restoring Sight and Preventing Blindness – *For All The World To See*

Calgary businessman Art Jenkyns (right) founded Operation Eyesight in 1963. Art was a proud member of the Rotary Club of Calgary West, and many of our original supporters were Rotary members.

Since Operation Eyesight was founded in 1963, more than 474 Rotary Clubs from around the world have contributed more than \$3.88M to eye health care projects in South Asia and Africa. In addition, Rotary International and the Rotary Foundation have also directly funded sight-saving projects. In 2005, Rotary International celebrated its 100th anniversary with the “Partners in Vision” project, aimed at financing 100,000 sight-restoring surgeries through Operation Eyesight. **Thank you for your ongoing compassion and generosity!**
